Navigation & Header

- Remove/minimize the **Contact Bar** from the navigation bar.
- Keep the navigation clean and simple.

Hero Section

- Keep the **carousel structure**, but:
    - Change **main text**, **sub-text**, and **buttons** per slide.
    - Remove all buttons except **"Call Us Now"**.
- Button style should remain consistent across slides.

White Section / Services Layout

- Keep the section design same, but change layout:
    - **1 large image** on one side (Audit & Assurance).
    - **4 smaller service cards** on the other side.
- Adjust image alignment and spacing properly.
- Icons should be **gray + orange** only.
- Fix incorrect **Audit icon orientation** (currently mirrored/wrong side).

Hover & Fit Behavior

- Ensure proper **hover effects** where required.
- Fix image fitting (no awkward cropping or stretching).

How We Work

- Improve UI/UX of the **How We Work** section with a better visual flow.

Services Extended Section

- Create an **extended services section**:
    - One large image on top.
    - Four smaller images inside the section.

- Split content into **two visible columns/blocks**.

Icons & Images

- Remove unnecessary icons where not required.
- Replace icons with **images** where visuals work better.
- Growth Partner image should look professional; remove if not suitable.

Content & Size Adjustments

- Reduce **card sizes** slightly.
- Update content text to match design balance.
- Remove unwanted icons and replace with correct ones.

Footer & Contact Section

- Replace icons with structured content:
    - **Head Office 1**
    - **Head Office 2**
- Remove **"Connect With Us"** section.
- Footer should contain only:
    - Branches
    - Office Time
    - Useful Links
- Branch details (numbers & addresses) should come from Contact data.

Map Changes

- Remove single large map.
- Add **two small maps**, one for each Head Office.
- Place maps near Head Office details.

Office Time Section

- Change schedule to:
    - **Monday to Saturday**
    - **10:00 AM – 6:00 PM**

- Remove extra/irrelevant lines under Office Time.

About Page

- Improve overall **UI of About page**.
- Replace awkward image placements with cleaner layouts.
- Ensure consistent section spacing and hierarchy.

Founder Section

- Rename section to **"Meet Our Founder"**.
- Remove duplicate founder entries.
- Keep **only one founder profile**.
- Remove extra buttons.
- Ensure image fits properly with clean UI.

Services, Team & People UI

- Redesign UI for:
    - Services section
    - Team Members section
- Current UI looks cluttered and needs simplification.

Team Members Details

- Keep only:
    - Name
    - Role
- Remove:
    - LinkedIn
    - Email
    - Extra personal details
- Education stays.
- Remove all Certifications.
- Experience should show only title + brief detail.

Strengths Section

- Add **clear hover effects** so content is readable on hover.

Services Page Cleanup

- Remove the **entire unwanted services section** completely.
- Redesign **“Services Offered”** UI to look premium.
- Follow the same style used in *Aureole Pharmatech* services layout.
